## Why Our Cohort Model Sets You Up for Success

At Teach Us, we know that navigating an educator preparation program can feel overwhelming—but you're not alone! Our cohort model is designed to provide you with a dedicated support system every step of the way.

Your Cohort Leader is your go-to person for everything: they're your cheerleader, advisor, instructor, and so much more. No more wondering who to contact—your Cohort Leader is there to guide you, answer your questions, and keep you motivated.

### Here's how it works:

- *Weekly Progress Updates:* Stay on track with personalized updates to ensure you're meeting milestones and becoming internship eligible as quickly as possible.
- *Tailored Support:* Whether you need help with test prep, certification requirements, or just a pep talk, your Cohort Leader is there for you.
- *Community Connection:* Your cohort isn't just a group—it's a team. Collaborate, share experiences, and celebrate successes together.

With the Teach Us cohort model, you'll never feel lost or unsupported. Let's work together to make your journey to becoming an educator as smooth and successful as possible!

## Hiring Season is Here—Are You Ready?

The hiring season for school districts is in full swing, typically running from March through August, and this is your chance to take the next big step in your teaching career! To make the most of this opportunity, it's essential to ensure you're on track to meet all requirements for internship eligibility. If your district has provided a specific deadline for internship eligibility, now is the time to review your progress. If you're concerned about meeting your deadline, don't wait! Reach out to your advisor or Cohort Leader for guidance and support. Waiting until the last minute could limit your options, so take action today. This is an exciting time to advance your career, and we're here to support you every step of the way.

## Stay Current on Payments to Keep Your Journey on Track

As you work toward your certification goals, it's important to ensure your Teach Us services remain uninterrupted. Staying current on your program payments is key to maintaining access to essential services. Falling behind on payments can delay your progress, including your ability to get cleared for exams or move forward in the program.

Don't let a missed payment slow you down! If you have questions about your account or need assistance, our team is here to help. Reach out today to ensure your journey to becoming a certified educator stays on track. If you need assistance or wish to discuss your balance, contact us at [billing@teachus.com](mailto:billing@teachus.com) or 866-349-0888 (press option 3).

## Enroll your Uncertified Teachers Today!

As we enter the final stretch of the 2024-2025 school year, school districts across Texas are already planning ahead for the 2025-2026 academic year. A top priority? Ensuring that every classroom is led by a fully certified, well-prepared teacher. If your district has educators working under an emergency permit, long-term substitute status, or other alternative arrangements, now is the time to enroll them in Teach Us.

Teach Us is a trusted Texas teacher certification program that provides aspiring educators with a structured, supportive pathway to full certification. By enrolling your uncertified teachers now, you are taking a crucial step toward strengthening your district's teaching staff for the upcoming year and beyond.

We also understand that districts are working within tight budgets, which is why Teach Us is proud to offer volume discounts for districts that enroll multiple candidates. If your district is interested in exploring partnership opportunities, we encourage you to reach out and learn more about our cost-effective certification solutions.
