A left sidebar contains "Introduction" (highlighted) and "Requirements". The main content area features an illustration of a teacher at a chalkboard, a "Get Started Now!" button labeled "Start", and a welcome message: "Welcome to the test preparation course for Texas' test English Language Arts Reading (ELAR) 7-12! This test preparation course has been designed to provide aspiring Texas teachers with the opportunity to learn about and practice the requisite knowledge and skills necessary for early beginning teachers that will be assessed when taking the TExES ELAR 7-12 (231) test. As you engage in this course, you will find helpful test taking tips, learning resources, and knowledge check questions that are aligned to each micro-competency of the ELAR test framework. The knowledge check questions simply guide your learning process. If your score for a knowledge check question(s) is below 80%, the learning resources are available to assist you in answering the question(s) correctly."

Step 6: The page will reload to the main home screen of the TU Platform. Here, you can select the drop-down to see the test preparation courses that you have access to. Select a course from this drop-down and click on the green “Start Learning” button.

A dropdown menu is open, showing three options: "Science 7-12" (selected and highlighted in blue), "Science 7-12" (with a red icon), and "English Language Arts Reading 7-12" (with a green icon). Below the dropdown is a green button labeled "Start Learning".

Step 7: A second way to access the courses you have selected, is to go to the 3 lines in the upper-left corner and select “My Progress”.

Step 8: All courses you have selected will appear here and you can click the blue “Start Learning” in the right side of the screen for any of the courses.
